

# ***IN HONOUR OF***

Stan Crowley

Stan Crowley was along time official with the Peel Regional Board of Approved Basketball Officials, and continues to keep contact with many of our members. To honour his pioneering spirit and his involvement with our board, we have created a scholarship in his name. The funds from this scholarship are used to help send officials to the various camps available, where they can improve their skills and become better officials both on and off the court.

Sandi Mills

An active member of PRBABO when she passed away, Sandi was a role model for all officials, not just females. She certainly paved the way for other female referees in Peel, but also was a mentor and teacher for both male and female officials. Sandi also served our board by being on the Executive for a number of years. To honour her commitment and dedication, the PRBABO organizes and hosts a girls basketball tournament, with the proceeds going to a fund that helps offset the costs of the ROPSSAA basketball champions going to OFSAA.

Robert Smith

An active member of PRBABO when he passed away, Rob, a.k.a. Baldhead, was an official that loved life, and enjoyed being an official. His enthusiasm was contagious, and he always looked forward to giving his best on the court. To honour his enthusiastic approach to officiating the PRBABO has created a scholarship fund that will help officials offset the cost of attending a skills improvement camp.
